Genre: Simulation, Strategy

Developer:

Paradox Development Studio

Publisher:

Paradox Interactive

Release Date: 26 Sep, 2013

a09c17d780

English, German

awesome, still forming the Grand Imperial Republic of French Influenced Europe

you can really do a lot and I believe the troop numbers are quite accurate as they aren't ridiculously high or low and battles are determined by logical factors not \u2665\u2665\u2665\u2665\u2665t. cosmetic dlc, does what cosmetic dlc should, great game oevrall and underrated.
